2023-2024 School Accountability Report Card (Published During the 2024-2025 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A hard copy of the School Accountability Report Card is available at your School Office, upon request.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)	Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at https://admission.universityofcalifornia.edu/ .
Admission Requirements for the California State University (CSU)	Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at https://www2.calstate.edu/ .

2024-25 School Description and Mission Statement

Schaefer Charter School is a dependent charter school of the Piner Olivet Union School District (POUSD). The Vision of POUSD is inspiring joyful and innovative learning in an ever-changing world. The Mission of POUSD is as a community, we engage in authentic, dynamic, and relevant learning that develops each student's academic, emotional and social growth.

The Schaefer Charter School Mission is that we pride our school community on promoting a learning environment that empowers all students to reach their fullest potential. We are committed to creating a nurturing and caring environment that supports children in their academic, emotional, social and creative growth. Schaefer Charter is a culturally diverse school that

2024-25 School Description and Mission Statement

serves 300 transitional kindergarten through sixth grade students. 75% percent of Schaefer Charter School students reside within the Piner-Olivet Union School District. 29% of students are English Language Learners, 55% Socio Economically Disadvantaged, and 1% Students with Disabilities.

Schaefer Charter School has thirteen full classrooms, a music room, a multi-purpose room, a library, a field and a blacktop with play structures for student use. The kindergarten classrooms have their own separate, enclosed playground and eating area.

The staff at Schaefer includes a full time principal, a full time office manager, thirteen full-time teachers, and two custodians. All teachers are fully credentialed and highly qualified. Part-time staff includes 8 program assistants and a credentialed music teacher. Nurse services are regularly available. Special programs include the Resource Specialist Program and Speech and Language Program, English Language Development (ELD) program and Intervention Program for students not meeting grade level standards (provided by the classroom teachers and program assistants). All students with intervention needs in English Language Arts and Math are served throughout the day in a Learning Center as well as within their classroom.

Curriculum is standards based and designed to be engaging. Teachers received professional development in the Common Core State Standards (CCSS) and utilize the CCSS as the basis for their classroom instruction. Adopted curriculum includes F&P Classroom for English Language Arts, Units of Study for Writing, and Bridges for Math. Technology is used to enhance instruction and increase student engagement. Classrooms are equipped with Chromebooks and iPads. The technology in grades TK-1 is at a 2:1 ratio, and in grades 2-6 at a 1:1 ratio.

Schaefer students demonstrate creativity, initiative, leadership and innovation through their engagement with learning, interactions with staff, community, and each other. The Schaefer Student Leadership Council meets bi-weekly to plan events and school-wide improvement efforts. Parents are an integral part of Schaefer Charter School. We welcome volunteers to help in classrooms, on field trips, for special school activities, with planning student community service activities, and for other special tasks. Back to School Night, Open House, Movie Nights, and special family events are well attended by our families.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

School Facility Conditions and Planned Improvements

Safety, cleanliness and maintenance of facilities are a high priority at our school. Facilities and grounds are regularly cleaned and maintained. The site is staffed by one daytime and one nighttime custodian. Common areas, such as the sidewalks are maintained regularly and the Transitional Kindergarten/Kindergarten play yard has bark swept and raked weekly. Any actions taken by an outside company comply with all school safety requirements. In the event of a power failure, the custodian and principal are trained on starting generators on the well to ensure the water supply is maintained during power outages. The facility was inspected by the Chief Business Official and Supervisor of Buildings and Grounds in December 2024. Facilities are formally inspected bi-annually.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2022-23	School 2023-24	District 2022-23	District 2023-24	State 2022-23	State 2023-24

2023-24 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2023-24 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2024-25 Opportunities for Parental Involvement

Schaefer has a strong and dynamic Parent Teacher Organization (PTO), called Schaefer Life and Families. Schaefer Life and Families sponsors fun family activities throughout the year such as ice cream socials, ice skate nights, movie nights, and a Halloween dance and a Valentine's dance. They also sponsor one large fundraiser each year, which is used to support classroom activities and field trips and to fund school-wide materials such as a portable stage, a sound system, and computers. Schaefer Life and Families may be contacted at schaeferfamilies@gmail.com. PTO meetings are held the first Wednesday of the month from 6:30-7:30pm on Zoom. Meetings are open and all parents are welcome! Parents also volunteer within the classroom and during several district-wide fundraising events during the year. Parents serve on the Schaefer School Site Council and English Learner Advisory Committee. PTO and School Site Council meetings have continued online. Parents are also encouraged to attend Coffee With The Principal, during the morning, once per month in the multipurpose room. We also have parent survey's for the LCAP process and the After School Enrichment Programs. Parents are also notified of school events via weekly notes on Parent Square. Schaefer also participates in the annual Youth Truth Survey with the Sonoma County Office of Education (SCOE) which also survey's parents about the school climate at Schaefer Charter.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

2024-25 School Safety Plan

Schaefer Charter School has a Comprehensive School Safety Plan in place that is reviewed and updated annually. The plan includes elements that address general procedures and emergency situations. It assures the safety of students and staff in case of any natural or manmade emergency situation. It includes a communication plan with the district office and other district schools. In addition to providing for the students physical safety, the staff uses The Toolbox Project, Positive Behavior Intervention Systems (PBIS) and Restorative Justice Practices to develop a climate that encourages children to do the right things, feel safe with their peers and adults on campus, and develop socially and emotionally. The last review of the School Safety Plan was October 3, 2023.

During the 24/25 school year, safety drills are conducted every month (with students and staff members) which include: earthquake drills, fire drills, and lock-down drills.

The intervention program is offered across grade levels to provide students with an additional individualized and small group instruction to meet their specific needs in reading/language arts and math. Teachers use initial placement assessments to identify specific students' needs so that instruction can be focused on developing key skills. English Language Learners receive instruction in English Language Development based on the level of English language proficiency. Students needing extra support in reading receive instruction that focuses on phonemic awareness, decoding, vocabulary development, fluency and/or comprehension. Students who are reading at or above grade level participate in extension activities to build vocabulary and concept development as well as reading enrichment. Students who are performing below grade level in math receive extra support in class and/or in the Learning Center.

A variety of programs are in place to support the academic, social, and emotional needs of all students. Motor Skills and Physical Education classes are provided to students across grade levels to encourage social skills, health and fitness. Students have access to our library on a weekly basis during class visits. This schedule offers students access to a variety of books and materials. Classroom music is provided to all students TK-6.

The staff includes a number of positions that are shared with other schools. Our lead custodian are shared with the charter school. There is a part-time nurse and a part-time health technician who dispenses medications, updates records, and notifies staff of student medical information. Our online speech specialist works two days per week, and the health technician services students daily. The school also has full time afternoon custodian and part time evening custodian. A counselor is also shared with Northwest Prep.

Professional Development

Our district Professional Development Committee work together to prioritize our foci for this school year. Our focus during the 2023-2024 school year is:

Our Focus Question for the Year:

How can we use our district curriculum and district instructional strategies to engage all students in dynamic learning experiences that align with state standards and embrace competencies such as critical thinking and problem-solving that carry into other domains of life?

District-wide focus on creating dynamic learning experiences through backwards planning of our curriculum, best teaching practices and assessment calendar.

District-wide implementation of our 2022-2023 PD such as equity plans and restorative practices that focuses on building, maintaining and when necessary, repairing relationships among all members of a school community.

District-wide 1:1 teacher meetings with data from Aeries Analytics to thoughtfully analyze common data and compassionately understand each student in order to create individual goals to advance achievement for all.

District-wide celebration of growth (academic, emotional and social growth of students) at Board Meetings and school sites following each grading cycle.

Elementary:

Backwards planning to integrate all of our curriculum and best teaching practices

Implementing all our curriculum (FOSS, Social Studies, Bridges/Carnegie, Writers Workshop, F and P) with fidelity through collaboration, teacher leaders and observing best teaching practices

Increased support for English Language Learners through implementation of GLAD strategies

Art and community integration through the Singing Tree Mural Project and Luther Burbank Center

Professional development are delivered after school on early release days 8 times a year and 2 full days that are non-student workdays, in addition, we have teacher leaders that sign up for full day release days to help plan and implement professional development for elementary school teachers in the district. Teachers are supported by site and district administrators, teacher leaders, SCOE support team, and the District Director of Innovative Learning. Our teachers attend grade span and/or grade level meetings to assess and analyze student data and collaborate to plan yearlong scope and sequences and common assessments.

Professional Development

Professional Development for Certificated Staff:
